ADDRESS.

W. HOLDEN feels no hesitation in declaring, that the present List of Coaches, &c. will be found of much utility to the trading world, from the copiousness of its information.

It contains near seven thousand towns, &c. which, on computation is more than five to one that are to be found in works of this kind hitherto published. To render it as complete as possible, the documents have been sought directly, and nearly all obtained, from the Proprietors, Innkeepers and Wharfingers themselves; and when that could not possibly be the case, from the principal Agents only. The greatest care and circumspection has been pursued throughout the whole of the compilation of this extensive work.

The arrangement is simple, which the view of a single page must obviously manifest; and from the easiness of the reference to Inns, Wharfs, Towns, &c. it is supposed there can arise no difficulty of conveyence to the most remote and obscure Village in GREAT BRITAIN.

The Proprietor begs leave to observe, that the work throughout has been guarded with a scrupulous exactness against errors; but he would, he conceives, merit the accusation of bigotry, was he to declare it free from a false entry. He thought proper to be thus candid, in order to solicit the favor of Gentlemen to communicate any single error which they may discover, by post; and the same shall be punctually attended to in the next edition; but he assures the Public, that he knows not of any.

W. HOLDEN acknowledges himself under much obligation to the Proprietors, Innkeepers, Wharfingers, &c. for their great attention in furnishing his collectors with the particulars of their conveyances.

NO perſon ſhall drive any cart for hire in the city of London or Liberties, without Licence from the Governors of Chriſt's Hoſpital; and the owner ſhall pay the yearly rent of 17s. 4d. for every cart, &c. 20s. on every change or alienation of the property of any ſuch cart, and 3s. 6d. for every licence granted by the ſaid Governors. If any one offend in the premiſes, he ſhall forfeit for every offence, 40s.

All carts, licenced by the ſaid Governors, ſhall ply for hire in the places appointed by the court of Lord Mayor and Aldermen, or by the ſeſſions in London.

If any empty cart ſhall be found ſtanding in any other place of the city or liberties, than thoſe appointed (unleſs while loading or unloading); or, if the number of carts in the places appointed, ſhall be found to exceed the number allowed by the ſaid court of Lord Mayor and Aldermen, &c. the owner ſhall, for the firſt offence, forfeit 5s. for the ſecond 10s. and for the third, and every other offence, 20s. And the beadles or conſtables, or any of the inhabitants of the city, on ſeeing any carts ſtanding in places not appointed, or a greater number of carts at any ſtand than are allowed, may take any ſuch cart, and the horſes thereto belonging, or either of them, to the Green-yard, and there have the ſame impounded until the owner has paid the penalty incurred, and the charges of impounding.

No driver of any cart ſhall come into Thames-ſtreet, by St. Magnus church, eaſtward, with his empty cart, before he is hired to come into the ſame ſtreet, but the lanes and paſſages hereafter mentioned, and no other, ſhall be uſed only for ſuch empty carts to paſs through into the ſaid Thames-ſtreet; viz. the lane leading down to Tower-dock, Beer lane, Harp lane, Botolph lane, Pudding lane, St. Michael's lane, Laurence Poultney lane, Bush lane, Trinity lane, and all other lanes weſtward, except the lanes and paſſages hereinafter limited for loaded carts to paſs through from the ſaid Thames ſtreet; under the penalty of 5s. for the firſt and for the ſecond and every other offence, 10s.

For any time not exceeding forty minutes	1	0
For every further time not exceeding twenty minutes, during the whole of the time such coach shall be kept waiting,	0	6

For every hackney-coach hired within the stones-end, or at any out-stand, and driven into the country, and discharged at any place from which such coach cannot be driven before sunset (at the rate of five miles in one hour) to the nearest stones-end, or to the out-stand from which the coach was hired as aforesaid, the half fare; that is to say, 6d. per mile for all the distance such coach shall have to go from the place of such discharge to the said stones-end or stand as aforesaid, before sunset, or between the time of discharge and sunset, and the whole fare for all the distance after sunset, computing the whole time or distance in all cases of whole fare into one rate and fare, as if the fare returned in the coach; but in the computation of back fares, no fraction less than sixpence, on the whole charge, shall be demanded or taken, nor in case of the half fare shall any part of time, or distance, less than twenty minutes or half a mile, be in such case computed into a general charge.

For every coach hired for a day, not exceeding 12 hours, or 20 miles in ground, and to conclude before 12 o'clock at night, 18s. and for all time or ground over and above the day's work the usual rates or fares in addition to the 18s. for the day's work.

For every coach hired or kept in waiting for any time, or taken any distance after 12 o'clock at night and 6 o'clock in the morning, an additional rate or fare of 6d. upon every shilling, but this addition not to take place in any case where the fare for any coach hired before 12 o'clock does not amount to 2s. or upwards, although such coach shall not be discharged till after 12 o'clock.

Commissioners are empowered, whenever the price of oats, as published in the London Gazette, shall exceed 25s. per quarter, to increase the above rates in the proportion following:

	s.	d.
Upon every rate or fare amounting to 2s. the additional sum of	0	6
Upon every rate or fare amounting to 4s. the additional sum of	1	0

And so in like manner upon every increase of 2s. or any rate or fare above the rate or fare of 4s. aforesaid the additional sum of 6d. for every increase of 2s.

The above additional fare not payable unless the coach be taken the full distance, or kept in waiting the full period, which additional fare may be recovered.

The commissioners are to publish notice of the increase of rates or fares in the London Gazette, which increase may be continued till, and not exceeding 30 days after the average price of oats shall be reduced to one guinea per quarter.

Commissioners may appoint inspectors of hackney-coaches and horses, and suspend the licence of any person whose coach shall be defective, or whose horses shall be unfit, and may annul licences where such inspectors are refused to examine coaches, horses, &c.

That all coachmen who ply for hire at the theatres or other places of public resort, or who shall place their coaches at the side of the street, or in any situation where they do not usually ply, shall be considered as liable to be hired or taken as if on the stand; and on complaint being made will be fined for refusal, unless such coachman shall produce positive proof of being actually hired at the time; and if such proof shall really be brought forward, in such case the commissioners have power to

award to such coachmen a reasonable compensation for loss of time in being summoned.

The commissioners may require persons licenced to keep hackney-coaches to enter at their office the names and residences of the drivers, to whom they may grant leave to drive, or revoke, or suspend the same, as also the licences for keeping any hackney-coaches, of persons who shall omit to enter the names of their drivers, or suffer any person not entered to drive.

All persons attending as watermen to hackney-coachmen not authorised by the commissioners are liable to penalty.

The commissioners may make rules for hackney-coachmen and watermen attending them, and annex penalties for breach thereof.

No person shall carry a person or persons for hire in a sedan chair (unless hired for a day) within the cities of London and Westminster, or the suburbs thereof, without a licence, on penalty of 40 s. Hackney-coachmen exacting more than their fare are liable to the penalties, and the fares recoverable as by the laws now in being.

In case of arrears of rent made payable by licences they may be revoked, and the arrears levied either upon the owner or renter.

Any person or persons that may be molested or prosecuted for any thing done by him or them, in pursuance of the act, such person or persons may plead the general issue; or if on the trial the verdict pass for the defendant or defendants, or the plaintiff or plaintiffs shall be nonsuited, such defendant or defendants shall have treble costs awarded to him or them.
